## PRESIDENT'S MESSAGE - ISLAND MAGIC 2022

Members, officials, competitors & spectators. Welcome to the Phillip Island Auto Racing Club's Island Magic 2022, PIARC's signature event at our spiritual home, Phillip Island Grand Prix Circuit. In the club's milestone year of 70<sup>th</sup> years young.

PIARC provides "access to motorsport". Be it the grass roots level of Supersprints, Hill Climbs or Motorkhanas, or those lining up to race this weekend and our world class officials.

This year Island Magic, the 32<sup>nd</sup> edition will see the best in state and national motorsport over 9 categories battling it out over the 4.45 kilometre track from Saturday to Sunday.

New for 2022, we welcome the Porsche Michelin Sprint Challenge, with Thomas Sargent and Ryan Wood battling for the PRO title at Phillip Island after Wood claimed victory at Mount Panorama to firmly keep his title hopes alive. In fact, all 3 levels of the GT3 based series come down to Island Magic, in the Pro-Am class Sam Shahin claimed a Bathurst victory to keep the pressure on title leader Brett Boulton and in Class B, Lachlan Harburg holds a 38-point lead coming into the final round against Nathan Sticklen.

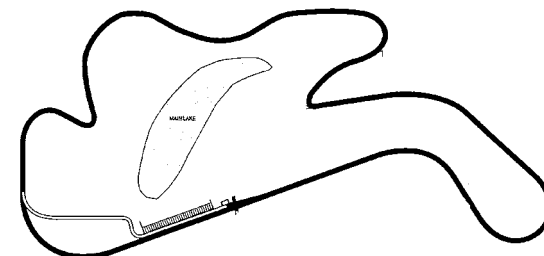

The German marque will also be well represented by the Endeavour Cup Porsche 944 Challenge with 18 drivers on track, with a local flavor, supported by ISOLA di CAPRI restaurant for the Endeavour Cup. Historic touring cars, with 3 races over the weekend will see a 40+ car grid, headlined by Paul Stubber and Aldo De Paoli from Western Australia in their Chev Camaro's take on Victoria's finest for the Victorian Historic Touring Car Trophy.

Open wheel fans are well covered with the stars of tomorrow in both the Speco/VHT Formula Vee and CoolDrive Auto Parts Formula Ford & Formula Ford 1600 enjoying 3 races. Also, for the first time in 20+ years the Victorian Road Racing Championship is back at Island Magic, this time for Formula Open Victoria, with 27 cars, ranging from F2 / F3 & F4 winged open wheeler competition for the and John Roxborough Trophy.

The Hyundai Excel series is back at Island Magic 2022, this year's edition will see two sprint races over the weekend, with a single driver enduro on the Sunday afternoon for the Burson Auto Parts Excel Enduro.

The Ramada Resort Phillip Island 50k Plate for Sports Sedans is a favourite for both drivers and fans alike, this year's event, whilst down on numbers is high on quality with the MARC cars of PIARC member Tony Groves and Stuart Eustice equal favourites, but with a number of fire breathing V8's no doubt they won't have it all their way in the 12 lap final. Improved Production, presented by Traction Tyre Centre / Yokohama Motorsport will see 30+ cars and yours truly battling out both days. Will we see a V8 or an upset of a under 2 litre car take the covered Matthew Flinders Trophy home on Sunday night! Enjoy the weekend and thank you to all the hardworking officials who have made our club and this event what it is today and for the future.

***Yours in Motorsport,  
Nicholas Scarella.  
President -  
Phillip Island Auto Racing Club Ltd.***

Phillip Island Auto Racing Club — Access to Motorsport

This event was originally a Sports Sedan event created for the famous Australia Day meetings at the Island, and was converted to Club Car Status, now Improved Production in 1991 and has proven to be a major draw with up to two full fields at times, especially since the Improved Production Nationals in 1999. The Nationals in fact were again very successfully conducted here at Magic May 2004. and again at Island Magic 2009 with a track record for any category of 96 cars entered.

## THE EVENTS AND THEIR HISTORIES

### VICTORIAN HISTORIC TOURING CAR TROPHY.

The trophy was inaugurated in 1991 in view of the strong growth and following for this fantastic class, which to that time did not have a landmark event to aim for, anywhere in the country.

This event should give Ford some heart as 14 of the 27 times it has been conducted it has been won by a Mustang or a Falcon, with the other two being won by Henry Draper & Ted Brewster in Minis, in 1995 by Kent Youlden in a Monaro and 2005 by Trevor Talbot in a Torana XU1, 2007 by Robert Braune in a Charger and 2008,2009,2011& 2012 Darren Collins,2014 and 2015 Paul Stubber, 2016 Dean Neville, and 2018 Aldo De Paoli all in Chev Camaros, with 2019 back to a Mustang with Michael Miceli for his 4th win.

### VICTORIAN TOURIST TROPHY

With the resurgence of Marque type Sports Cars in the early 90's the category was crying out for its own landmark event. The furtive minds at PIARC solved the problem, and the grid of a huge variety of sports cars you see this weekend is the result and speaks volumes for the future of sports cars particularly as this year's event which repeats the last several year's very successful & popular events, this year again being the CUE / INDUSTRIE Sportscar 1 Hour Enduro Race, the 15th such race at Phillip Island.

### COWES CUP

The HQ Holden class was just starting to gain real momentum in 1991, and also was in need of a focus race for the Victorian competitors to aim for, and has that created some massive fields at times with the record number been 58 of these crowd favourite old taxis.

The event is such that it created a Dame Nellie Melba of HQs, with Bob Wright retiring some years ago but making a comeback each year until he won his Cowes Cup. It took him 9 years. Who will his successor be? Whilst the number of HQs has declined from the halcyon days of 50 plus cars in a field, the racing remains intense and entertaining

### THE PHILLIP ISLAND FORMULA VEE TROPHY

Originally the Victorian Formula Vee Championship, this event was dedicated to the late Mauri Fordham who was a great supporter of Phillip Island, & a mainstay of Formula Vees for over 20 years, particularly in the earlier years when PIARC & Phillip Island hosted the Vee Nationals and boasted up to 70 Vees per meeting.

2014 saw the Vee Nationals back at the Island again with a capacity field of 58 entries.

This Phillip Island Formula Vee Trophy will again feature the venerable 1192cc engine & the 1598cc variant which has become the norm

## THE EVENTS AND THEIR HISTORIES

### THE PHILLIP ISLAND FORMULA FORD TROPHY

PIARC & Phillip Island has been involved with Formula Ford since its inception, with many fantastic races over the decades. It was not until 1992 that Formula Ford had a Victorian Championship, when this event was created for that purpose.

Whilst the title has become a series, the event has remained a battle ground for future state and national champions & future Supercar Drivers including Adam Macrow, Luke Youlden, Marcus Marshall, Mark Winterbottom, Tony D'Alberto, Taz Douglas & Chaz Mostert. For the first time in 2009 the event was conducted as two races within a race for Formula Ford 1600 and the newer national level Duratec engined Formula Fords.

This year The Phillip Island Formula Ford Trophy will be a round, in fact fittingly the final round of the Formula Ford Series created in 2014 to replace the former National Championship.
